About this piece

A Gothic Revival oak Davenport in the style of A.W.Pugin. The carving throughout this piece is exceptional, I particularly like the little acorn that has fallen leaving it's empty shell which can be seen in images 17, 18 and 19. The linenfold details are finely executed. The side cupboard door with further Linenfold detail opens to reveal four graduated drawers. Height 36", Depth 27", Width 22 3/4".
