About this piece

An Arts & Crafts quarter sawn oak extending dining table with wonderful figuring to the grain. It has an unusual sliding top that you can easily slide open to allow for one or both of the two extra leaves to be installed very quickly. It is a very simple but clever design.

Measures:

Width 48 inches, two leaves 10.5 inches each, total width extended 69 inches. Depth 41 inches. Height 29.5 inches.
