<b>CONDITION</b>	Good

### About this piece

#### A rare and early Anglo-Japanese ebonized tall chest of drawers

Designed by **Daniel Cottier** with gilt painted swallow, stylized bamboo and plant forms with rosettes, with a later black marble top, the lower drawer is a double.

The last three images are like the **Cottier** corner cupboard illustrated in *House Beautiful* by Clarence Cook, circa 1878, where you can see the exact same painted devices.
