About this piece

E. W. Godwin attributed, probably made by William Watt

An Aesthetic Movement tall back ebonised armchair. The turnings are in keeping with other E. W. Godwin designs, and the arms are identical to the Old English or Jacobean armchair. The S shaped back is also the same as two other cane armchairs we have available on our website, and the same as a third E. W. Godwin armchair with a William Watt label now in a private collection.
