About this piece

Edward William Godwin, an Anglo-Japanese ebonized side chair

Probably made by **William Watt**. With a lattice back, a later overstuffed leather seat on square part-fluted supports.

See *Soros, Susan Weber 'The Secular Furniture of E. W. Godwin'*, p. 113, illus. 137 for a comparable example. See also *Sotheby's with Paul Reeves 'The Best of British Design from the 19th-20th centuries: The Selling Exhibition'*, 14th-20th March, 2008, P R33 for a

comparable chair.

We have had this chair professionally reupholstered with embossed gilded leather replicated exactly from the original leather designs **Godwin** designed for furniture for Lord Limerick at Dromore Castle in the early *1870s*.
