### About this piece

#### John Pollard Seddon

A Gothic Revival oak armchair, made by his family firm **Thomas Seddon** (Seddon and Co).

Based in Bond Street, they supplied furniture to Windsor Castle and Buckingham Palace, founded by his great-grandfather **George Seddon**. He exhibited an almost identical armchair on the Morris, Marshall, Faulkner & Co. stand at the *1862 International Exhibition*, illustrated in *JEREMY COOPER'S Victorian and Edwardian Furniture and Interiors*.

**Seddon's** also worked with **E. W. Godwin**, and was a friend of the Pre-Raphaelites. Some of his pupils were **Ford Madox Brown**, **C. F. A. Voysey**, and **Daniel Gabriel Rossetti**.

We also have two pairs of matching dining chairs available.
