CONDITION	Good

About this piece

Charles Edward Horton for Lamb of Manchester stamped "LAMB" to the underside. A rare Anglo-Japanese quarter sawn oak oval centre table with wonderful wild figuring to the top.

The four legs with scribed tramline decoration to the outer edges are united by an intricate lattice work design offset on a 45 degree angle uniting to the legs, with splayed feet standing on the original brass and ceramic castors.

One leg has an old completely stable repair.
