About this piece

An excellent quality oak Arts and Crafts breakfront sideboard/bookcase

by **Maple & Co.**, with superb stylised floral brass handles and hinges different to the one above but totally original as one could choose the handles and hinges that one preferred when one bought the piece originally. Six open shelves to the upper section with central cupboard with two drop down front drawers for music, files or L P's flanked by two upper drawers with adjustable shelves on shaped feet.

Height 52", Width 47" 3/4", Depth 14" 1/2". Circa 1900.
