About this piece

Shapland & Petter

A rare mahogany dining room set consisting of a sideboard, a buffet, and two chairs. The sideboard and buffet both have stylised floral panels inlaid with fruit woods, pewter, and abalone. These floral panels are after a design by M. H. Baillie Scott, one of the most beautiful and pure Arts & Crafts floral designs that Shapland & Petter used. There are a number of Baillie Scott designs that Shapland & Petter used, and it is quite possible that Baillie Scott may have sold designs to Shapland & Petter.

Measures: Sideboard height 85" 1/2 inches, width 60" 1/2 inches, depth 22" 1/2 inches. Buffet height 72" inches, width 46" 1/2 inches, depth 22" inches.
