About this piece

Two sets of four oak dining chairs and a similar pair the design attributed to E.W.Godwin, with carved floral detail to the back rail and wonderful little ebony turnings just above the seats. See Susan Weber Soros' *The Secular Furniture of E.W.Godwin*, page 127 illustration 172. One set is stamped RUMMEY and LOVE, I have also had this chair in the past stamped LAMBS OF MANCHESTER which would point to this design of chair being produced by a number of companies possibly under licence. Circa 1880.
