CONDITION	Good

About this piece

By **WMF**, a **hand beaten brass chalice** aligned to the *Art Nouveau* movement (1890 to 1910), c.1900. The rounded bowl sits on three tall organic supports that spring from a circular base, the rim edged with simple strap detail. Originally **silver plated**, the surface now shows a warm brass tone that suits the refined, plant like profile characteristic of WMF metalwork.
